

## Course Description for 10 Commandments for Speed & Quality in Legal Writing

---

Are you a slow writer? Would you like to become more efficient—and produce better, clearer work? In this seminar you'll learn to set a schedule for each of the phases of a writing project—and stick to it.

Let Professor Bryan A. Garner—one of today's most prolific legal writers—show you the techniques that turned him from a slow, plodding writer into a highly productive one. Justice Antonin Scalia told the *Dallas Morning News*: “I cannot imagine how he manages to write and edit all the books he does—and all of them first-rate” (4-26-15). He also writes and edits briefs regularly.

Professor Garner will show you how to make the most of your talents—in a highly rational way. Prepare yourself to become industrious. Here you'll learn how.

## Questions

---

Please see our [Step-by-Step guide](#) on the Self-Paced Online Seminar page for help in (1) creating an account on our e-learning site, (2) registering for a self-paced online seminar, (3) registering additional viewers, (4) accessing the course materials and seminars, or (5) accessing completion certificates.

### Multiple licenses—which one do you need?

---

Depending on if you're watching by yourself or with a group, we have the right license for you.

You'll need a primary license to access the seminar. You can buy the additional licenses for your colleagues in your account in a separate transaction. Each self-paced online seminar has its additional-viewer license tuition listed.

If you're watching in a seminar in multiple locations, each location needs a primary license (that covers one person there) and then additional-viewer licenses for everyone joining to watch *with* the primary-license holder in that location.

Have questions? Ask us: [info@lawprose.org](mailto:info@lawprose.org).

An important note from Bryan A. Garner

I'm excited to be a part of your legal-writing education, but before you start your program, we have a few legal bits to cover:

**Terms of use**

- You're receiving this course-material packet for purchasing the appropriate license for the seminar.
- You, and only you, are allowed to use this course-material packet, its contents and associated contents, for your personal use.
- You're allowed unrestricted access to print, backup, copy, and use this course-material packet—again, for your personal use.

**Limited-Use License**

- Unless LawProse grants explicit permission in writing, you cannot distribute this course-material packet, or its contents and associated contents, to anybody else, whether offline or online. This prohibition, of course, includes modifying the source file and then distributing it.
- Unless LawProse grants explicit permission in writing, resale of the work within this course-material packet, or any portion of it is prohibited. Online or other republication of any of its contents is prohibited.

Violation of this License may result in immediate termination of your seminar license and may result in legal action for injunction, damages, or both.

Thank you for continuing the LawProse tradition of the rules we all learned in kindergarten: (1) say “please” and “thank you,” (2) everything nice and neat, and (3) be a good person and follow the Honor Code.

Best wishes,  
Bryan A. Garner
